

## 9 Patch Medley.

9 fabrics will produce 18 machine pieced 'Stack and Slash' blocks. The colours and prints on the nine co-ordinating fabrics must be different for the maximum effect and I recommend that you choose a variety of lights, darks, tone on tone patterns and feature prints for the block.

There are 2 versions of this quilt, the choice will be yours.

.40cm each of nine coordinating prints – see above.

1.2m of an accent fabric for the narrow sashing strips within the block.(version 2 only).

Board, Long Ruler and Rotary cutter with a new blade.

12 ½" square for version 1 or a 15" square for version 2.

Pen and paper,

Neutral thread.
